## Greenhouse

**10 ft x 10 ft Instant Shelter**  
**Item #GH1010**

Now's the time to get ready for spring and all the wonders it brings. King Canopy has inventory ready to ship so you can begin your spring garden for vegetables or flowers.

Featuring super strong 1-3/8" steel frame and durable rip stop cover, this greenhouse features added stability and strength to stand up to the elements. The front panel features two side zippers allowing you to open the door and roll it up & out of the way for easy access while the rear vent provides ventilation. When needed, the door easily and securely zips closed to keep warmth in and weather out, protecting delicate plants and vegetation. The side panels are long enough to be buried or weighted to completely seal the unit!
